

REMARKS

Claims 65, 67 and 74-79 are pending. Claim 66 is cancelled.

THE AMENDMENT

This is response to the Examiner's Amendment, dated January 13, 2003, in the above-identified patent application.

Applicants are in agreement with the Examiner's Amendment. However, the claims added by the Examiner, Claims 74-79 have resulted in Claim 66 now being redundant with Claim 74.

Accordingly, Applicants are canceling Claim 66 by this amendment.

This amendment does not change the substance of the claims, and is made solely for purposes of clarification. No new matter has been added.

Respectfully submitted,
